### Celebrate

The warmth of a sunset
The beauty of a field
of flowers,
The tranquility
of an early morning summer
breeze,
The tender touch
of a loving friend,
The spirit of love
over the land.

The sweetness of life itself found in man's awesome journey, his destiny his odyssey in search of love.

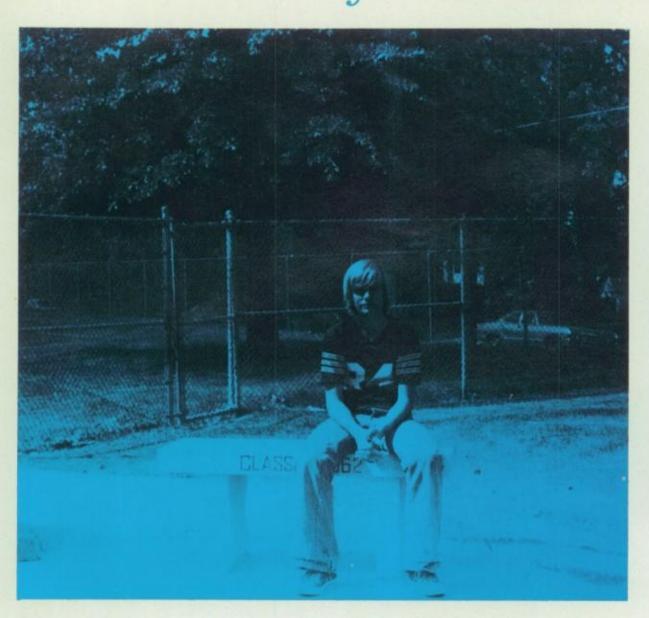

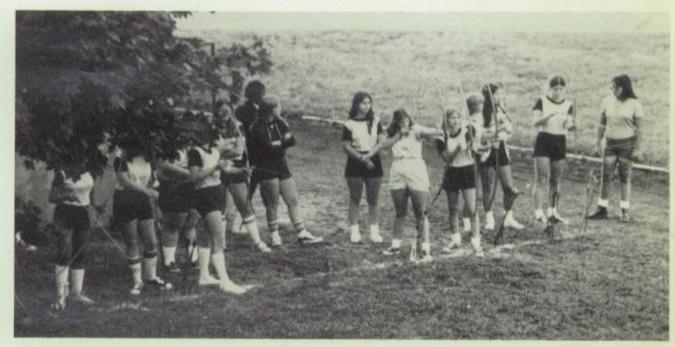

### Life's Beauties

### Celebrate

When I look into your eyes my friend I realize what I have no amount of gold or silver can buy.

For your eyes speak of friendship and love, of peace and joy, of tenderness and compassion, of feeling.

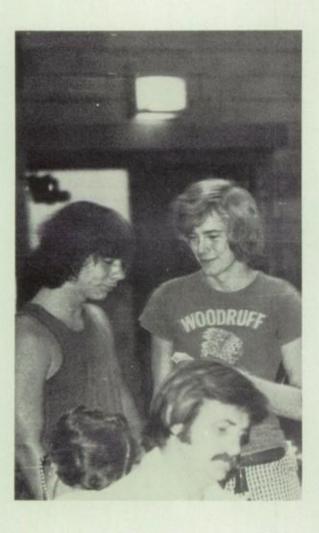

### Friendship

Your eyes tell me of another Who made our hearts then chose to unite them.

My dearest friend in you my life and eternity is bound; for in you My love is found.

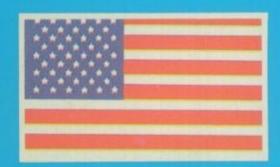

On May 21,1975, Woodruff High School celebrated America's 200th birthday by dressing in historical costumes or the colors of our flag. The Bicentennial Day brought out a variety of expressions of American history.

"Ver this is George's office Bersy who?"

Even patriots such as Melody Mooberry need a thirst break

A polyhedral smile is the enriched geometry's reflection on America's bicentennial

### Celebrate

I traveled the country roads and big city streets The grassy plains and desert wastelands The — rocky mountains and seven seas Longing to be free.

Sweet thoughts bitter memories I sweated and slaved to be free.

Happy songs sad songs I heard them all Seeking to be free.

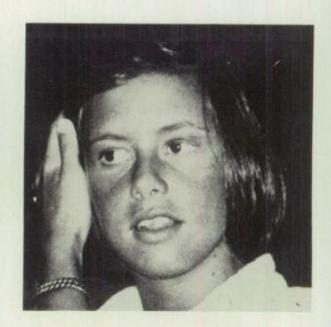

I fought cursed and cried in my struggle to be free.

I sought heaven found hell Looked for angels embraced the devil.

### Finding Yourself

I wandered far from home in my search to be free.

In place of freedom I found a prison without a guard or a guide.

The miles were long the roads winding and steep; an empty heart till I saw the familiar country road.

Tears stopped.
Fresh air.
A white house peeking from behind the dense pine trees.

People waving.
Joy so deep.
Memories revisited.
Love—

Embraces.

### Thank You,

Mrs. Ann McDade has faithfully served Woodruff High School as its Treasurer since the fall of 1966. Her duties include care of purchase orders, the renting of textbooks, and the paying of school bills. She does all the bookkeeping and accounting for all school accounts, counts all the money handed in from the various organizations, and is responsible for other items too numerous to list. However busy she is, she is always willing to help someone else.

She has also served her community as past president of the Emblem Club and past president of the Peoria Chapter Educational Office Personnel.

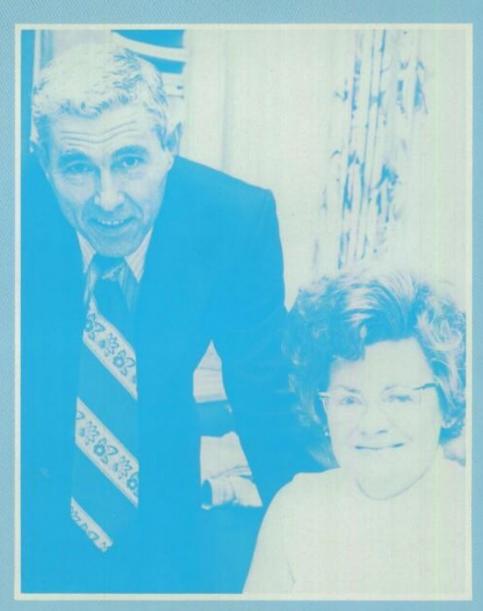

Thank you, Mrs. McDade, for being so cheerful and efficient in keeping watch over Woodruff's money.

Mrs. McDade helps Mr. Spiekermann balance the Activity Club books.

### Warriors Capture 2nd In Sectional

"Win Woodruff!" a cheerleader shouted, as a tense crowd hoped their Warriors would pull out a tough one against Pekin. With less than six seconds to go in the game that could take them to the championship game, the Warriors held a slim three-point lead. Pekin's center put up a shot and scored. With three seconds Woodruff had one point on Pekin, and the Warriors' defense held them as Woodruff won-58-57.

Woodruff then played Richwoods for the sectional championship. Woodruff put up the best fight Richwoods had had yet, but couldn't quite pull it out.

# 1975 Woodruff Relays Prove

The 20th annual Woodruff Relays, held on May 20, 1975, proved to be quite successful for the Warriors. The events were dampened only by a short shower late in the day. Out of a record 19 entrants, Woodruff tied for 4th place with 26 points. Although the Warriors did not place first in any events, they had an impressive showing by capturing honors in the top 4 positions in 6 events. #### AFS Week Promotes

AFS week was an all-around fun week for the students and teachers at Woodruff. Many events took place during the week such as ugly teacher contest, tootsie pop sale, pie in the face, and the student-faculty basketball game. The ugly teachers were Mr. Hartseil, Mr. Issacson, Mrs. Chase, and Mr. Hedges. The winner was Mr. Hartseil. The contestants for the pie in the face contest were Mr. Schultz, Mr. Querciagrossa, Gary McDaniels, Mrs. Taylor, Miss Canty, Mr. Rathbun, and Mr. Nelson. The winner was Gary McDaniels because he was the last to receive a pie in his face. The students slaughtered the faculty in the basketball game on Friday. This ended the week of fun on a high note for the student body. The money from this week of events went to send a Woodruff High School student to study abroad.

# Homecoming 1975

This year's Homecoming was an event to remember. The week's events included spirit chain, ugly couple, Mr. Irresistible, tug of war, and the pep assembly. The class that won the majority of these events won the spirit stick. This year the honor went to the Junior Class.

The Chief and Princess for this year's homecoming were Frank Francis and Julie Trau. The homecoming court included Mike Adkins, Randy Osborne, Don Serup, Ken Swank, Kay Kirman, Betsy Thomas, Liz Kellar, and Sarah Guzman.

# Sophomores Dominate Stunt Shows

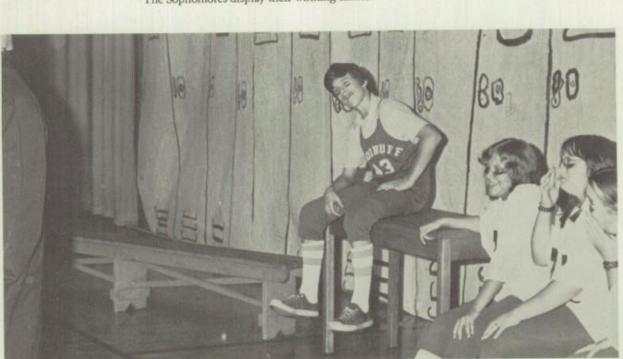

The Sophomore Class took first place in this year's stunt shows held in the Woodruff High Auditorium. The students worked and prepared very hard for these mini-plays, and the end result proved that. They were held on two successive nights and attracted a large audience. The themes of each stunt varied a good deal, but they were all very well done and very entertaining. All who participated deserve a big hand.

# Christmas Spirit

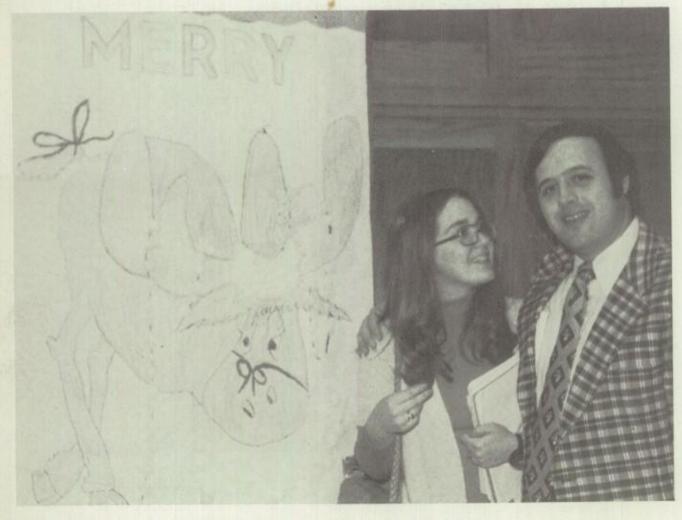

Christmas spirit at Woodruff came alive this year through the help of Student Council, cheerleaders, Key Club, and Keyettes. These various groups organized and carried through the different activities during the week prior to Christmas vacation, most of those being at the Christmas assembly. This assembly was the highlight of Spirit Week.

Some different events at the assembly were skits by the Student Council, the faculty stunt, the arrival of Santa Claus, Announcement of the Snow King and Queen contestants, and the Elves contest awards.

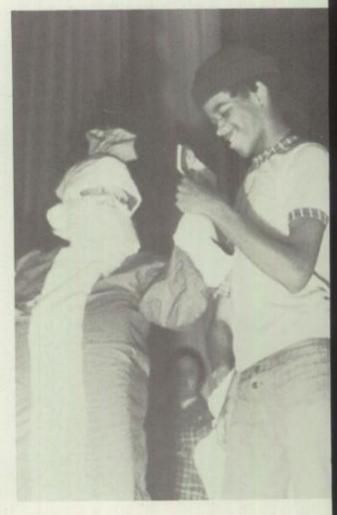

The Key Club and Keyettes distributed over 50 Christmas baskets to needy families after the assembly was concluded.

### Music Officers

The Vocal Music Department was kept busy this year with numerous activities. Their biggest activity was the musical production of YOU'RE A GOOD MAN, CHARLIE BROWN in the fall. During the Christmas season the Concert Choir and the "Arrangement" caroled at Northwoods Mall and various other places. In January Mrs. Lauderbaugh retired after twenty-seven years of teaching at Woodruff. Mrs. Sharon Reed took on the difficult job of preparing the choir for the Mid-State Nine Choral Festival in February. In March the choir had the honor of participating in the Bradley Festival at Bradley University. The "Arrangement" was occupied the entire year with numerous performances in the Peoria area. The year was completed with the Concert Choir singing at Baccalaureate.

President Ed Winter, Vice President Dave Hensley, and Secretary-Treasurer Kathi Dozard have many responsibilities as officers of Concert Choir.

AFS stands for American Field Service. This club is basically a service organization created to be the liason between the Woodruff Student Body and the AFS student. The club is also charged with the responsibility of raising the funds to bring a foreign student to Woodruff each year. The officers of the club are Nancy Paris, President; Mark Praul, Vice President; Cheryl Beneventi, Secretary; and Sue Monday, Treasurer. Every year AFS has a week filled with activities. Some are Ugly Teacher Contest, Tootsic Pop Sales, and morning milk and donut sales. The membership, in 3 years, has increased from 25 to over 100. AFS is open to all students.

When I think back to my first schoolday, I was surprised how welcome I was at Woodruff. I made lots of friends that made my U.S. experience more valuable and fun.

There will be many things I'll always remember like football games, cheerleading, and sports I was involved in. Especially I enjoyed stunt shows, dances, assemblies, and many other activities we didn't do in our schools back home.

I am very grateful for AFS. It was a happy time for me and I am sure the spring will be even better. I hope you will do the same thing you did for me for many other AFS students that will be at Woodruff, and if you can, try for yourself to be involved in AFS.

## Cheerleaders Produce School Spirit

The 1976 Woodruff Cheerleaders, under the direction of Mrs. Judy Speers, pepped-up many fans around school. Some of the activities they either sponsored or were involved in were pep assemblies, spirit week, pretty legs contest, and pie-in-the-face contest. Although during the first few months of the school year the students didn't have much to cheer about, the cheerleaders still managed to evoke a few yells of excitement. During the summer the cheerleaders attended a camp to improve on their old methods and learn some new ones. This instruction was evident in their completely revised list of cheers. This year's captain is Julie Trau.

The 1975-76 Speech and Debate Team is having a very successful year. The team has already brought a first place trophy home to Woodruff. The club has no officers; everyone has an equal part. Being on the team helps students learn to defend their own ideas when they are challenged. During the debate tournaments the team meets several other area teams. Sponsors are Mr. Freeburn, Mrs. Currie, Mrs. Blickenstaff, and Mr. Sanfilip.

Dan Poplett and David Merrick practice their rebuttals.

Among other things the student council sponsors homecoming activities, including spirit week, stunt shows, and the pep assemblies. They also sponsor several pep assemblies during the year and keep students supplied with pens and paper from the supply booth.

# Another Year Of Nursery School

Once again this year Mrs. Speer's Child Development Class held a nursery school. It is held twice a year for two weeks each time. The children involved are neighbors and relatives of the class members, or children of the faculty members.

The students plan activities, make toys, and bring refreshments and serve them. They entertain the kids with painting, drawing, coloring, active games, movies, Halloween party, walks, and going to the park.

The purpose of the class is to have the students become aware of the various growth patterns, social and emotional development, and activities suitable for young children.

The children learn to color.

The students and kids enjoy the fun of being together.

Woodruff students stage a pupper show for the kids.

#### Charlotte Lewis Returns To Woodruff

Charlotte Lewis, a former graduate of Woodruff, returned in November to be acknowledged before the student body. She has been honored in many events, some of which are Junior Olympics, National Women's Intercollegiate track meet, and Pan Am games. She is a candidate for the US Olympic team in the spring.

She is currently on the volleyball and basketball teams at Illinois State University, and she also participates in track. Charlotte was recently honored as the top Tri-County Sports Figure of 1975.

Charlotte Lewis is pleased by the standing ovation she receives at the assembly.

#### Mini Shop Prepares Students

Mini Shop is a vocational setting which provides those students entering job situations with on-task experience in a supervised situation. Emphasis in this program is on developing and strengthening the habits and attitudes which a good employee needs.

The course is open to all students enrolled in the Pre Vocational Work Study Program.

The services of the Mini Shop are available to any teacher or organization in the school.

Some of the services available are laminating, dry copying, production of transparancies, signs and poster printing, and engraving.

Curtis Johnson and Daryl Wilson find working together a benefit to learning.

Debbie Thrasher obtains some helpful advice from Miss Kalkvarf.

Kevin Callaway, under the guidance of Mr. Sexton, learns to operate one of the many machines.

## "Gentlemen Start Your Engines"

John Baker tries his hand at seeing what the problem is.

Auto Mechanics is a course offered to juniors and seniors in which the students study the automobile as a complete functioning system. Emphasis is placed on diagnosis and repair of major and minor components.

Another important part of study is common problems of ignition and carburation.

It is a combination of classroom and shop learning experiences.

Basic skills in the use of autobody equipment and tools are stressed.

Actual equipment is provided on which to practice. The class meets two hours daily at 914 Main Street.

John Hammocker, John Baker, Dave Schneider, and Oscar Johnson gather around a disabled automobile.

### Thoughts on

It is sad not to be loved, but it is much sadder not to be able to love.

Miguel de Unamuno

Love is like the measles; we all have to go through it.

Jerome Klapka

To fear love is to fear life, and those who fear life are already three parts dead.

Bertrand Russell

When love and skill work together, expect a masterpeice.

C. Reade

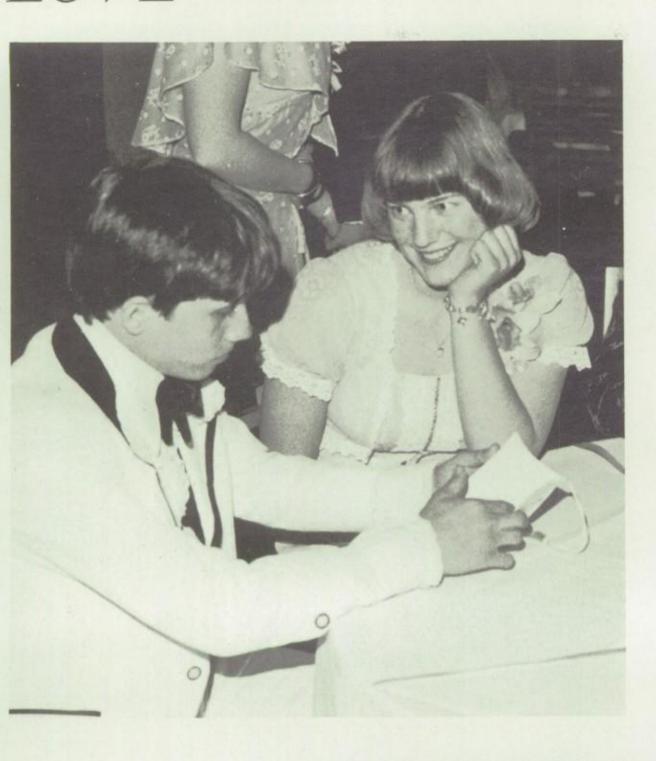

There is no difficulty that enough love will not conquer; No disease that enough love will not heal; No door that enough love will not open; No gulf that enough love will not bridge; No sin that enough love will not redeem . . .

It makes no difference how deeply seated may be the trouble, How hopeless the outlook, How muddled the tangle, How great the mistake. A sufficient realization of love will dissolve it all . . . if only you could love enough you would be the happiest and most powerful being in the world.

Emmet Fox

#### LOVE

Where love is great, the littlest doubts are fear: When little fears grow great, great love grows there.

Shakespeare

True love is like ghosts, which everybody talks about and few have seen.

La Rochefoucaulid

Love comforteth like sunshine after rain.

Shakespeare

I know you know that I love you. What I want you to know is that I know you love me.

Werner Erhard

There is a lot of talk about love, and now much love. Maybe we should stop talking so much about love in the third person, and try it oftener in the first person. Maybe what we really need is lovetalk. Lovetalk is what I say to you, and what you say to me that warms me even when I don't have any right to feel warm. The look you give me when you think no one is looking. The book I buy for you when you least expect a present. Lovetalk. The thing that must happen so love can happen.

### Miss Sperling Looks Forward To

#### Retirement

Miss Edwardine Sperling started her teaching career here at Woodruff in the fall of 1938. She has been a devoted teacher and a loyal supporter of the school ever since. She is retiring at the end of this school year and moving on to other things.

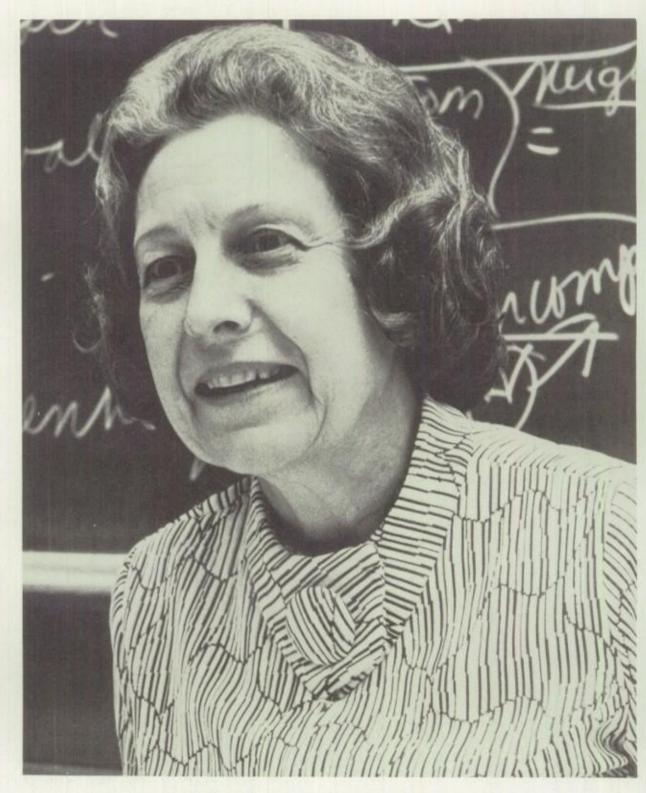

During her years here she has been involved in such activities and clubs as Homecoming stunt shows, Pow-Wow committee, and National Honor Society, just to name a few. She was also named as the head of the English Department.

She attended the University of Wisconsin, where she obtained her BA in English.

Those of us here at Woodruff and those who have had her in the past want to wish Miss Sperling the best of everything in whatever she undertakes.

# Mrs. Lauderbaugh Says Farewell To WHS

Ars. Lauderbaugh receives a plaque given to her by the choir as her husband looks on.

#### OPEN LETTER OF APPRECIATION

Dear Mrs. Lauderbaugh,

We wish to thank you for giving of yourself unselfishly through your many years at Woodruff.

Among your many contributions is the knowledge of music that you have given to the students that have passed through Room 109. In addition to this, you have taught us many things about life that we would not have learned in a regular classroom situation.

Over the years you have supported your students with endless devotion and care. When times got rough, you were always there to back us.

You have helped make the name of Woodruff well known and respected in the community through the high quality of performances presented throughout the area.

For all of these reasons and many others too numerous to mention, we thank you and wish you well always.

#### Administration And Counselors Ke

A great deal of responsibility rests upon the members of Woodruff's administrative staff. In addition to all scheduling, staff members counsel, attend meetings at the administration building, have been instrumental in the planning of Woodruff's new addition, and supervise many student activities. The counselors too have many areas of concern, including the giving of standardized tests, helping with college admission problems, and any special conferences students may need. Many hours of work are necessary to keep Woodruff running smoothly.

## Becoming Upper

The Junior Class of 1975-76 learned the joys of being upper classmen. In the spring of 1975 they elected their class officers for the coming year. Dave Mabee was elected president and Denise Yager vice-president. Mark Huddle, Susie Reynolds, Fran Matthews and Tara Miller were elected their class representatives. Mr. Sanfilip is their class sponsor.

During Homecoming Week the class won second place with their stunt, "Working on the Brainwash Blues." The class won first place in the Spirit Stick and Tug-of-War Contests and second place in the Spirit Chain Contest.

Their class projects for this year are Heart-O-Grams, sponsoring the Junior Prom, bake sales and candle sales, and car washes.

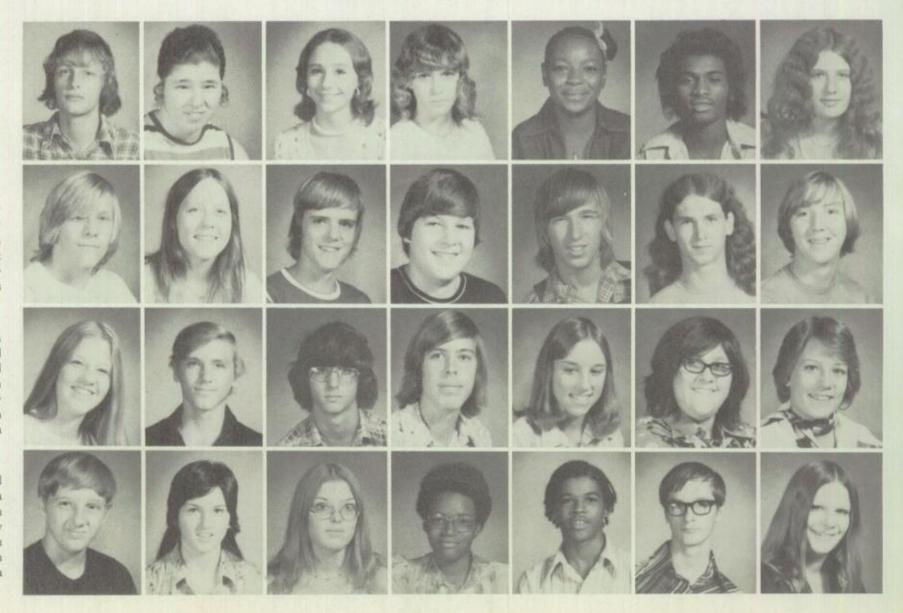

Vice-president Denise Yager and President Dave Mabee lead their class during a year of many activities.

## Sophs Strive To Improve

The Sophomore Class of 1975-76 is making great progress on the journey through high school. Last Spring they elected Nate Johnson president and Bob Wolfram vice-president of the class. They also elected Jeff Phillips, Kris Campbell, Kelly Miller, and Diana Vinciquera as their student council representatives. Their sponsor is Mr. Bitner.

The class achieved terrific success during Homecoming Week by placing first in Stunt Shows with their stunt "The Perils of Woody High." They also won first place in both the Mr. Irresistible and Spirit Chain Contests.

Their class projects include a bake sale, car wash, and sponsoring a Spirit Week.

Could it be that the Sophomore class officers are smiling because of the achievements of their class this year??

# The Class Of '79 Says Hello

The Freshman Class of 1975-76 is making a good adjustment to high school life. In September they elected their class officers for the year. Ron McIntosh was elected president and Julie Rademaker vice-president. Their representatives are Marcia Plunkett, Mike Buob, Vicki Bryant and Rick McIntosh. Their sponsors are Mrs. Crilly and Mrs. Simmons.

During Homecoming Week they won third place for their stunt "The Missing Playbook." They also held down third place for both Spirit Stick and Spirit Chain and fourth place in the Tug-of-War Contest.

Among their class projects are the Valentine sale, car wash, Freshman Dance, Stationery sale, and Christmas Candy sale.

Julie and Ron hope to lead the Freshman class to a productive year.

Just as the year 1976 will end and be fondly remembered (and looked back upon many times), the 1976 Talisman has ended. I only hope it can give you as much enjoyment and as many memories as it has given me. A yearbook is not an easy thing to put together, and no one person can take all the credit for it. I would like to acknowledge the many people who helped me.

MRS. TILLY & MR. SPIEKERMAN:
They were both new at this, but ready to learn and help in every way they could. Mrs.
Tilly probably got tired of correcting all our spelling and punctuation errors.

MR. BILL MULLINS, our Newsfoto Yearbooks representative: Mr. Mullins was never farther away than a phone call when we needed him. He taught us some new things to make our book better. After we make our final deadline, he's always around with pizza and pop.

BILL WHAM & DICK DICKUS from American Photography Company: They put up with our photography demands and inexperience. They sent professional photographers to help out and teach us the right way to take pictures.

MRS. MILLER at Carson's: She took care of all our senior pictures and got them to us in time for deadlines. Hanks

KATHI DOZARD, MIKE WIESEHAN, & MIKE MCGEE, our photography staff:
These people had the most ususual hours of anybody. Suppers were missed, appointments broken, and schedules dismantled. The photographers make or break a book, and without good pictures we couldn't have a good book.

CAROL CRAWFORD: Carol was in charge of the senior section, the activities section, and the student life section. She also did typing for those of us with ten thumbs. Carol stayed with me through my grouchy moods (just before deadlines) and my lazy moods (just after deadlines.) She put in many extra hours of her own time just to make those deadlines. Working together on something like this can be hard on a friendship. Although it was rough, ours pulled through; in fact, I think it made it a little stronger.

DEBBIE EATON: Debbie helped wherever she was needed and did a variety of jobs, including doing the index. Each person who has ever indexed had his own system, and Debbie had a unique system that worked out extremely well. She also co-supervised the faculty-staff section with Patty Aldrch.

NANCY JONES: Nancy was in charge of the underclass section. The work is very boring and time-consuming. She had the patience and understanding needed for that job. Many people helped Nancy, but no matter how much they got done, it only seemed to make a small dent in the stack of work left to do

SUE BURROUGHS: Sue did a little bit of everything and a lot of typing. Sue was the one who kept us up to date on everything by making sure our calendar had all the activities on it. **Hanks** 

TERRY ATKINSON: Terry was in charge of all the organization pages. She made sure all the people were identified, all the write-ups were written, and that an organization got its money's worth by filling the page with candids of them.

PATTY ALDRICH: Patty was co-supervisor of the faculty-staff section. She also helped a lot with the organization section and did plenty of typing. Patty made a special effort to come and work on the yearbook afternoons following her class at ICC.

LISA DAVIS: Lisa worked hard on anything anybody told her to do. She joined the staff late and had to leave right after second semester, but we couldn't have done without her.

\*\*Hanks\*\*

JEFF JOHNSON: Jeff was the unusual one of the group, because he was a freshman. It's not very often we let a freshman on the staff, but it very obviously was a good thing in this case. Jeff was in charge of the sports section, and he did a great job on it. About the only thing he didn't do in that section was the typing, and that was for our own benefit. Jeff also took a lot of pictures for us.

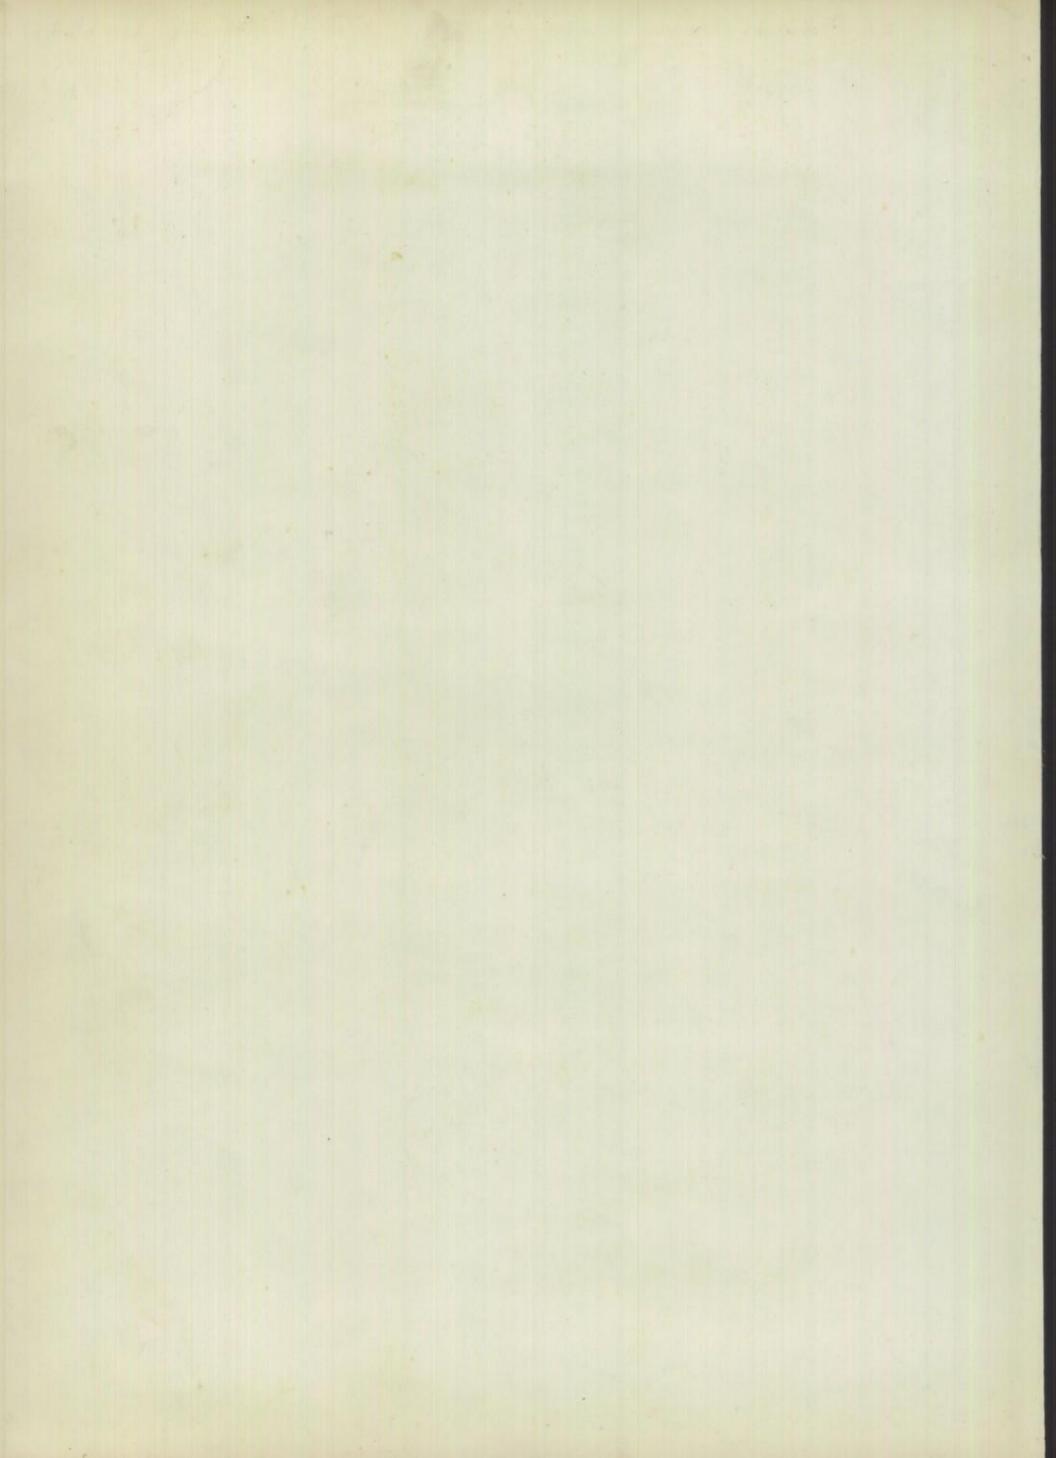

MARTY GREEN AND HER BUSI-NESS STAFF: They worked over the summer selling ads and ads and ads to get the money needed to help pay the expenses connected with putting out a yearbook. They spent many hours going to stores talking businessmen into supporting our school.

THE FACULTY: It would have been very difficult, if not impossible, to make all those deadlines without the cooperation of you. You let us out of classes whenever necessary.

I want to thank the staff as a whole for making every deadline and sticking with it when the going got rough. The cover design was from Newsfoto, and the poems used in the introduction were by Ron Roth. I will remember this year with the best of memories and I hope you will too.
